

NPS

***Serving
all of DoD***

***Naval Postgraduate School and Distance Education
Master of Science in Systems Engineering***

By

Prof. Wally Owen

Meyer Institute of Systems Engineering

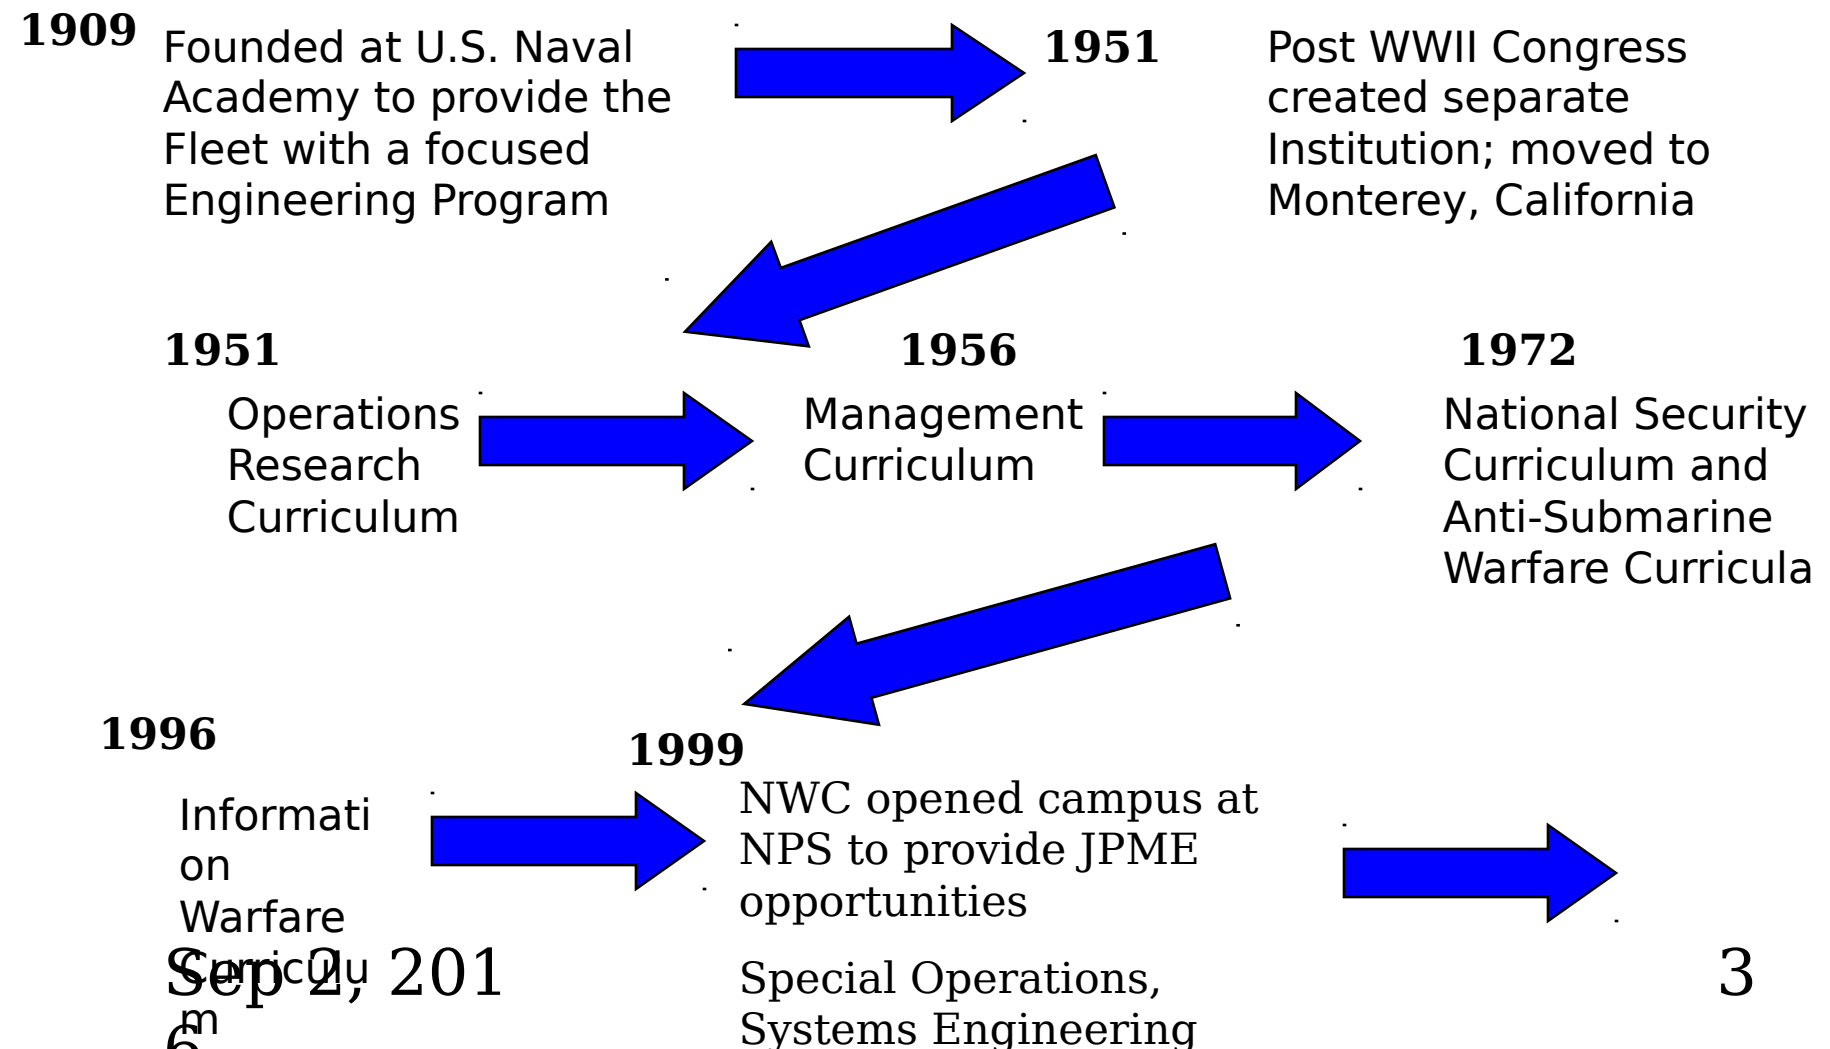

The NPS Mission

- **NPS exists to:**
 - **Enhance the security of the USA**
 - **Increase the combat effectiveness of U.S. and Allied Armed Forces**

NPS: 92 Years of Excellence in Graduate Military Education

NPS TODAY

**Graduate degree
programs that support
modern war-fighting**

**Fleet
relevant
through
extensive
executive
and
continuing
education
programs**

- **\$43M reimbursable funded research program as an integral part of graduate education**
- **Co-located with other educational and research establishments in an education- rich environment**

Sep 2, 201

6

NPS Academic Accreditation

- **NPS consistently receives excellent ratings from both regional and professional accrediting bodies**
 - ***Western Association of Schools and Colleges (WASC)***
 - ***Accreditation Board for Engineering and Technology (ABET)***
 - Aeronautical, Astronautical, Mechanical, and Electrical Engineering
 - ***National Association of Schools of Public Affairs and Administration (NASPAA)***
 - ***International Association for Management Education (AACSB)***

Graduate Education at

NPS:

How We Operate

- **Primarily Master's level programs**
 - **Clear focus on military systems and applications**
- **Year round operations**
- **Programs sponsored by Navy or other Defense organizations**
 - **Reviewed every two years based on Educational Skill Requirements (ESRs)**

An Integrated Faculty

- Recruited from top PhD Programs
- In-depth knowledge of Defense issues
- Excellent academic standing

- Recent Fleet/service experience
- Masters or Doctoral Degrees
- Inject focused military view

Civilian Faculty hired under provisions of Title 5 and Title 10 - U.S. Code

- "Excepted Service" - subject to Civil Service Laws and Regulations

- Faculty Salary Schedule (Level IV of the Executive Schedule)

NPS: Aligned for Excellence and Relevance

**“Institutes insure that
the academic tools
learned in the Schools
are applied to military
challenges**

**Institute of Defense
Information
Superiority/Innovation and Asymmetric
Threat**

**Institute of Defense
Modeling
and
Simulation**

**Meyer Institute
of Systems
Engineering**

School of
International
Graduate Studies

School of Business
and Public Policy

School of
Operational and
Information
Sciences

School of
Engineering
and Applied
Sciences

**“Graduate schools provide the academic structure needed by our
students to cope with future challenges.”**

**Military
Requirements**

Graduate School Of Engineering & Applied Science Programs (14 Curricula / 333 Students)

- **Aero Engineering**
- **Aero Engineer Avionics**
- **Combat Systems**
- **Underwater Acoustics**
- **Electronic System Engineer**
- **Meteorology/
Oceanography**
- **Applied Math**
- **Space System Engineer**
- **Systems Engineering***
- **Mechanical Engineering***
- **Electrical Engineering***
- **Meteorology**
- **Naval / Mechanical Engineer**
- **Applied Physics**
 - **Oceanography**
- **Operational Oceanography**
- **Test Pilot School -
Cooperative**

Resident/ *Non Resident Students - 95

12

Graduate School Of Operations & Information Sciences Programs

(16 Curricula / 543 Students)

- **Computer Science**
- **Electronic Warfare**
- **Information System Technology**
- **Information Warfare**
- **Joint C4I Systems**
- **Modeling, Virtual (SEI) Environments & Simulation**
- **Software Engineering***
- **Space Systems Operations**
- **Special Operations**
- **Intelligence Information Management**
- **Undersea Warfare**
- **Information System Operation**
- **Systems Eng & Integration**
- **Operations Analysis**
- **Operations Logistics**

Resident /* Non-Resident Students - 26

Graduate School Of Business & Public Policy

Management Programs (12 Curricula / 222 Students)

- Acquisition/Contract
- Contract Management *
- Defense System /Analysis
- Financial Management
- Manpower System Analysis
- Leadership Education & Development
- Program Management *
- Material Logistics
- Shore Installation
- Systems Acquisition
 - Systems Inventory
- Transportation
- Transportation Log
- Product Development (PD-21) *

Resident / *Non-Resident Students - 97

Distance/Continuing Education Programs

- **Distance Learning Opportunities**
 - **Simultaneous instruction at NPS and multiple remote**
 - **Faculty teams for remote, on-site delivery**
 - **Network based instruction**
- **Distance Learning Programs - Fall 2003**
 - over 30 Sites**
 - over 200 Students**

Why DL?

- Accelerate CNO Goal Achievement
- Reinforce People Priority
- Advance Knowledge Superiority
- Improve Recruitment & Retention
- Increase productivity in “slack” periods
- 1 DL Quarter Saves 3 Months student MPN

• 1 Non-Resident Degree Saves 1-2 Years MPN

+ 2 PCS Moves
Sep 2, 201

DL Approach?

Convenient, Economical, Accessible Learning for “Customers”

- Satellite Campus System
- Multi-Site Video Tele-education (VTE)

Synchronous

- Web-based education (WBE), Synchronous & Asynchronous, Interactive & Autonomous, Instructor Led/Independent

Study

Sep 2, 201

• Blended Education Integrated Learning

Satellite Campuses Mobile Faculty

- USNA – MA (Leadership & HR)
- NAVSEA 08 @ Washington Navy Yard, MB
- PD21 Partner with MIT- MS in Product Dev
- NSWC-PHD- MS Systems Engineering (M
- MCTSSA-Corona-Crane partnership- MSS
- IMET: IDARMP/DHMI/CCMR/DRMI
- Singapore Defense Initiative
- San Diego Satellite campus and others pro
- USS Constellation – Area Briefings

Sep 2, 201

19

Web-based Education (WBE)

- Afloat Delivery: Carl Vinson- ISO Certificate (12 students completed satellite course during combat ops)
- ISO MS
- 12 Courses 100% On-Line, 100+ Courses Web Enhanced
- Outsourcing Undergrad Refresher Courses
- SPAWAR – NPS as Educational Broker and Content Source
- JFCOM – Multinational Virtual Learning Environment
- Articulation Agreements – Cal State

Video

Tele-Education (VTE)

- **Degree programs (n=225)**
 - PD21- MPD (NAVSEA, NAVAIR, SPAWAR, ONR, ANG) (n=39)
 - MS Program Mgmt. (Army DACM) (n=44)
 - MS Contract Mgmt. (Navy DACM) (n=41)
 - MS and PhD in Software Engineering (n=36)
 - MSEE (NSWC- Port Hueneme) (n=53)
 - MSME – Reactors (n=15)
 - MBA (NAVSEA 08) (n=12)

Interactive Videoconferencing

Picture Tel 4000 VTC System

Distance Education Tool

Two-way Video and Audio

**High Capacity Integrated
Services Digital Networks
(ISDN)**

Multipoint Capability

Training for VTE Faculty

- **Need hands-on experience**
- **Dialing distance sites**
- **Controlling Cameras**
- **Adjusting Audio**
- **Using all multimedia equipment**
- **Creating a Balanced Design**

Web-based Online Courses

- **NPS Distributed Learning Resource Center provides knowledge, know-how and tutorials**
- **BlackBoard Course Management**
- **Faculty take online development courses**
- **Faculty workload adjusted accordingly**
- **Asynchronous with milestone gates**

Training for Online Faculty

- **Need to learn course management system**
 - Course Information
 - Course Documents
 - Assignments
 - Discussion board
 - Quizzes/exams
 - Grading criteria
- **Need to experience Cyberspace**
- **Creating a Balanced Design**

Master of Science in Systems Engineering

MSSE

Naval Postgraduate School - Monterey, CA

- **Designed for organizations with a strategic vision to be a world-class systems engineering & integration organization**
- **2 year distance education program using blended approach (mix of onsite, VTE and Online courses)**
- **2 three hour courses each quarter for eight consecutive quarters (16 total)**

Master of Science in Systems Engineering

MSSE

Naval Postgraduate School - Monterey, CA

- **2 SE certificates plus MSSE degree**
 - Military SE Fundamentals
 - Military SE & Integration
- **DAWIA SPRDE level III built into core**
 - ACQ101/201 & PMT250
 - SYS201 & SYS301
- **Capstone Team Design Project replaces the thesis requirement**

Master of Science in Systems Engineering

MSSE

Naval Postgraduate School - Monterey, CA

- **Entrance requirements:**
 - Undergraduate degree in engineering or related technical field
 - 2.5 GPA with strong references and command endorsement
 - Other as set by sponsoring organization
- **Curriculum tailored to meet an organizations' specific needs.**
- **SE CORE consists of 10 courses leaving 6 additional course slots for tailoring**

Master of Science in Systems Engineering

MSSE

Naval Postgraduate School - Monterey, CA

Masters of Science in Systems Engineering (MSSE)

CORE curriculum lineup with DAWIA SPRDE III as of 11/06/02

SPRDE level III courses * :SE Core courses ###**

Two 3-hour courses a week (all on one day or split on two days)

QTR 1-

Course

Faculty

*** MN3221- Principles of Systems Acquisition & Program Mgmt- I ###

GB

*** SI4007 - Fundamentals of Systems Engineering ###

SE

QTR 2-

Course

Faculty

*** MN3222- Principles of Systems Acquisition & Program Mgmt- II

GB

Focused Course- Determined by your specific needs
